

PRESS RELEASE

Breast Cancer Screening

October 20

Free community health screening presented by Carteret General Hospital's Raab Cancer Clinic

In recognition of Breast Cancer Awareness Month, Carteret General Hospital's Raab Cancer Clinic is offering free Breast Cancer Screenings on October 20 from 8am – 12noon. Screenings will include educational information about breast cancer, a risk assessment, a clinical breast exam and instruction on performing monthly self-exams. The screenings will be held at Carteret County's Health Department on Bridges Street in Morehead. Call 808-6200 to schedule an appointment. Committed to excellence, CGH's Healthy Living community program includes seminars, screenings, and community events that promote health and wellness.
